CITY TAXES 1952

The basic data for the information presented in this bulletin is obtained from the "Statement of Taxes and Indebtedness" submitted to the Wisconsin Department of Taxation by the city clerks. Levies for school tuition and transportation and also local levies made for school building indebtedness have been transferred from Local Tax (Column #11) to School Tax (Column #13). It is the intent of the transfer to show all taxes for school purposes in the school tax column.

It is the intent of the transfer to show all taxes for school purposes in the school tax column.

It is the intent of the transfer to show all taxes for school purposes in the school tax column.

It is the intent of the transfer to show all taxes for school purposes in the school tax column.
